Spin Lake Newsletter

We are under continued scrutiny from the IEPA over our water system. We are reaching out to all of you regarding RPZ valves on your water system. As I understand it all(or nearly all) of the water systems servicing our homes are equipped with the RPZ valves. Where we need your assistance is on those water hook ups you have that might be separate from your home water system. Examples would be outside water hook ups or water service to garages or other outbuildings. We would ask that you determine that your system is properly protected. This protects the entire water system from contamination. In the hear future we will likely be coming around requiring documentation or proof that they are properly equipped. We appreciate your cooperation on this effort

If you have any questions feel free to reach out to Dean Goben.

SPIN LAKE EASTER EGG HUNT

Everyone enjoyed the Easter Egg Hunt and the adult Easter Beer Hunt. Thanks to Heather and Joe Dehn for hosting the adult event and Mary Raney for organizing the children's.

If you would like to be added to the Spin Lake One Call, please contact Mary Raney or Joe Dehn

If you have anything for the quarterly newsletter, please contact Lori Priebe. You can either email the document to priebe@frontiernet.net or text 309.262.6459.

Welcome to Spin Lake Shaun & Jessica Dahl.

I will be updating the Spin Lake directory. Any changes, additions please let Mary Raney know ASAP.

Everybody should have Spin Lake cards. If you have not received them let her know.

If you have a high-schooler in Olympia and they need community hours, they could volunteer for cleanup days at Spin Lake.
