

Spin Lake Annual meeting minutes

9/16/23

Board Members present

Joe Dehn Pres, Barb Borg VP, Ryan Neal, Courtney Jones, Dean Goben

Assoc members present: Pat Day, Andrew, Linda Scheurman, Micah Fair, Shawn Dahl, Gail Welk

Martha Schwinn, Donna Jones

Joe and Dean spoke on the water plant, discussed Nitrate problem and how we need to add more Chlorine to combat the nitrate, results in water odor and sometimes burning of skin.

Joe spoke on the loans we have secured in the past and problems we have had in securing a grant to help pay for water plant upgrades. Will need to develop plan to reapply for another grant.

Dean spoke of process for testing at the water plant and would like to have more members do testing so only need to do it once a year.

\$500. Annual EPA bill, not sure who is paying this?

Roads –

Road Committee – Tim Maney, chair, Ryan Neal, Jeremiah Raney, Joe Dehn, Dean Goben

Andrew volunteered also.

Joe Dehn is looking at increasing Road fees in 2024. Will need a plan to present at annual mtg.

Concerns : Snow removal may tear up the recently done road work. Will notify Scott Hamilton to see if he will come out and look at the roads.

Speed Bumps to be removed Nov.1st.

Lake: Andie Petri will spray around lake annually, especially around dock.

Stocking of Lake is done every 4-5 years how long since it has been done? Shocking to determine how many fish in lake. Who does it?, Dredging of lake process.

Dam concerns: trees need removed; Members who have volunteered to take care of this- Pat Day, Dave Stein, and Jim Meizelis.

Trees along roads – Ted Clark and truck in trees.

Thoughts about sending out monthly newsletter highlighting problems with compliance with restrictions.

Barb Borg and Gail Welk will work on this.

Thanks to the many people who attended and expressed willingness to support our community.

Respectfully submitted, Barb Borg, VP
