

Spin Lake Newsletter

| SPRING 2022 |

LETTER FROM THE PRESIDENT

Although Spring is upon us, Mother Nature continues to remind us of who is in charge. We know that warm weather is just around the corner and with that all the great things that Spin Lake has to offer. Unfortunately it also brings out a few nuisances that we must deal with each year. The pot holes are here and the geese will be arriving soon to set up their nests. As usual we will deal with these issues as best we can like we do every year.

With the warm weather it will also turn our neighborhood green and fill out the trees and bushes. It will bring more people out walking, biking and running on our roads. Please remember to watch your speed and keep an eye out for others on the road. Please remind young drivers in your home to watch their speed, not just in Spin Lake, but on all roads. The safety of our residents is of great importance to us and we want everyone to leave and return safely to their homes.

We have many new residents out here and some long term residents have left us. Our monthly board meetings have moved to the second Wednesday of the month and are now held in Mary Raney's garage. I encourage everyone to introduce themselves to anyone they don't know out here. We have such a giving community and our neighbors continue to look out for one another. If you have a need please feel free to reach out to any board member and we can likely put you in touch with someone who can assist you. If you have a message you would like to send out over the One Call system please let us know and we can assist in getting your message out (some limitations may apply).

I continue to keep chlorine tablets on hand. If you have the type of septic system that requires tablets and you need some please let me know. I think they are up to \$3.75 each. If you need dirt we have plenty down at the South end of the lake. If you have questions about what can be taken please reach out to any board member and they can assist you.

As always if you have any questions or concerns please feel free to reach out to myself or any board member. We hope you have a great and safe Spring and Summer.

Thank you,
Joe Dehn
President of the Spin Lake Homeowners Association

If you would like to be added to the Spin Lake One Call, please contact Mary Raney or Joe Dehn.

If you have anything for the quarterly newsletter, please contact Lori Priebe. You can either email the document to priebe@frontiernet.net or text 309.262.6459.

SPIN LAKE NEWS

Jerry & Yvonne Herbstreith have lot 25 for sale \$3000.00 (309)346-7901.

Everyone should have received their access cards. Please carry them with you when you are at the beach and please do not feel offended if you are asked for your access cards as there are many new homeowners out here and we do not know everybody.
