

5/10/23 minutes

Dean, Courtney, Mary, Bill, Matt, Joe D, Barb, Tim, Owen, and Betsy

Lake-Courtney

License has been secured. First water samples have been sent in for testing. Results to follow.

Need to verify that language is clearly posted that no gas motors on the lake. Courtney reported an issue with a lot owner using a gas motor on the lake. He addressed it at the time with the lot owner.

Courtney is suggesting a beach clean up for May 20th. He and Mary will work together to get a One Call announcement.

Water-Dean

Water line is leaking through to ditch at Pawnee and S. Gap. Investigation as to what needs to be done to repair continues. Potentially contacting GH Rich to see what it would cost to have it repaired. Concerns about how residents will be able to get in and out because the road would have to be entirely shut off to repair.

Treasurer – Mary

New computer is up and running. Made a road loan payment and should be down to \$6,000. Buzicky's have moved out and the new people have moved in. They are waiting board approval about fence.

Balance Sheet provided.

Building-Joe L.

Dehl fence request submitted to the board. Joe L. emailed plans and design to board members. The board has approved the plans that were submitted.
