- Treasurer Report-Mary Raney. A \$30,000 CD and a \$20,000 CD were purchased. Joe added we need to establish a budget for 2026.
- Roads-Joe. We spent \$67,000 on roads this year, but they are now all in good shape.
- Water-Joe. We currently are paying \$600/month to Chris Siscoe to be the operator. We do need more volunteers and will ask for them in the next newsletter.
- Lake-Courtney. Linda & Joan sprayed the lake. We are leaving the dock out this year and just took the ladder off.
- Building-2 houses being built currently.

New Business

Barb will get a couple estimates on trimming the trees around the lake. A possibility of either a \$200 one time assessment or raising fees to cover this cost will be discussed in the future.

Owen used his lemonade stand money to purchase a box to keep the toys in at the pavilion.

Mary will update the directory and Lori will add to the end of the next newsletter.

The next meeting to vote on board members is September 27th at 11:00 at the beach.
